

AQUATIC AND COASTAL

Australia's mainland coastline covers more than 25,000km and is surrounded by thousands of islands plus a myriad of wetlands, lakes and waterways dotted across the continent. The diverse beauty of Australia's coastal regions is a key part of the character of the country, its people and its native wildlife. From diving the Great Barrier Reef to surfing off the coast of the Margaret River region or hiking the Great Ocean Walk, the opportunities for adventure along Australia's unique coastline are limitless.

Luxury Lodges of Australia, Great Golf Courses of Australia, Great Walks of Australia, and Ultimate Winery Experiences Australia bring together some of Australia's most aspirational holidays that immerse visitors in our world class beauty and natural landscapes.

The following aquatic and coastal experiences feature spectacular coastlines and landscapes, outstanding food and wine and a genuine and welcoming hospitality, highlighting that Australia isn't just a place you see, it's a place you feel.
